

# BIO5 INSPIRING WOMEN IN STEM

**BIO5**  
Institute

**Saturday, July 13, 2024**

11:30 a.m. - 1 p.m.

HYBRID EVENT

Keating Building, Room 103  
1657 E Helen St. Tucson, AZ 85719

An interactive panel of inspiring women from cross-disciplinary STEM fields will share their unique journeys. The panelists will be representative of different career stages to offer the broadest perspective possible. Following the panel discussion there will be a one-on-one networking session with panelists providing attendees with an opportunity to gain further insight. This event is open to all and is designed to inspire women in their pursuit of a STEM education and/or career.
